HOWARD TERPNING

Född 5 november 1927 i Oak Park, Illinois och utbildad vid Chicago Academy of Fine Arts och American Academy of Art, uppmärksammades han först för ett antal prisade omslag till tidningarna Time och Newsweek. Film fans prisade honom för filmaffischer för sådana klassiska filmer som Sound of Music, Dr. Zhivago och Gone with the Wind. Men hans intresse för Western och indianerna fick honom att satsa på fine art.

Terpning är sedan länge medlem av the Cowboy Artists of America, som har förärat honom såväl Guld- som Silvermedaljer, "Best of Show" priser och "Best Overall Show by a Single Artist" pris mer än dubbla dussintalet gånger. Hans bok, The Art of Howard Terpning vann the Wrangler "Outstanding Art Book" pris från National Cowboy Hall of Fame.
